Hi Tejal,

It looks as if I could tentatively be available Monday, preferably later in the morning. I think due to the last minute nature of this being scheduled it is difficult for everyone to juggle their schedules. The laboratory is left very short staffed to have all of us out on one case. Also, if you could have summons' sent over so we can document this trial in our database that would be greatly appreciated.

Please feel free to contact us with any questions.

Thank you,

Elisabeth O'Brien Evidence Office Supervisor 617-983-6631
